**Definition:** AMBASSADOR

(noun)

An accredited diplomat sent by a country as its official representative to a foreign country.

*“And just as an ambassador lives in a foreign land, so also do believers. Though citizens of heaven (Phil.3:20), they represent their King in this world, where they live “as aliens and strangers” (1Peter2:11). They proclaim to the lost, perishing rebels of this fallen world the good news that they can be reconciled to the Holy King of heaven.”*
