

Think back over 2015

Make a concerted effort to think back over the previous year and commit to leave (repent) behind attitudes and practices that deter you from becoming the person God made you to be. Consider the words of C.S Lewis on the subject, "progress means getting nearer to the place where you want to be. And if you have taken a wrong turning, then to go forward does not get you any nearer. If you are on the wrong road, progress means doing an about-turn and walking back to the right road We have all seen this when doing arithmetic. When I have started a sum the wrong way, the sooner I admit this and go back and start again, the faster I shall get on."

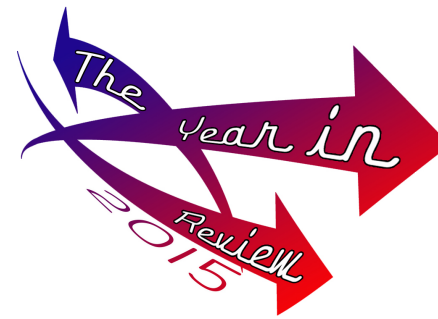

Thinking forward to 2016

Of all the resolutions you could make for the coming year, perhaps the best investment you could make is a commitment to reading the Bible regularly!

Psalm 119:105 Your word is a lamp for my feet and a light on my path.

Psalm 119:11I have hidden your word in my heart that I might not sin against you.
