

# Sierra's Weekly Message Action Plan

## Sierra's Weekly Action Plan:

**Dec. 7th:** Last week John encouraged us to take time at the end of each day to stop, think back over the day and find places to express our gratitude to God. How'd you do? Make sure to take time tonight to do it. *Psalm 100:5 "For the LORD is good and his love endures forever; his faithfulness continues through all generations."*

**Dec. 8th:** Jesus certainly had an interesting family tree. I bet you do too! Take a few minutes to think about who is in your family tree. *Who can you give thanks for? Who can you take a few minutes to pray for?*

**Dec. 9th:** Next week Dan is going to be teaching from Luke 1:26-38. Take a minute and read it. Ask God to help prepare your heart for what He wants to teach you this next week.

**Dec. 10th:** Only 14 days left to shop for Christmas! For a lot of people Christmas season, means BUSY season. But for some, Christmas is a lonely time of year. Not everyone has friends and family to celebrate with. Who could you reach out to that you know would be blessed to be included in your Christmas plans?

**Dec. 11th:** I hope you bought your ticket for *Christmas Dinner tonight*. If not, it's probably too late to get one. The good news is if you want mine, I'll be at the door selling it to the highest bidder. Bring lots of cash.

**Dec. 12th:** Read back over Matthew 1:1-17. What Good News that God is not ashamed to include many of those "misfits" in His family tree! *Never forget that God's grace and forgiveness that was available to them, is freely available to you too!*
