## Sierra's Weekly Action Plan

Our Weekly Action Plan is designed to help you **recapture and build** on what God is teaching from Sundays message.

If you could list your 5 most memorable moments from 2016, what would they be? Newspapers, magazines, and online sites love to feature year in review stories with headings like, "Top News Stories of 2016" or "The Best Pictures of 2016". Whenever I read these stories I am always shocked at how much has taken place in the last 12 months! Ferris Bueller was correct when he said, *"Life moves pretty fast. If you don't stop and look around once in a while, you could miss it"*.

I am convinced that Christians miss

a lot of what God wants them to learn about life because they are moving through it so fast. The last couple weeks of a year always presents us with a good time to reflect. I'd encourage you to take some time this next week after Christmas to reflect over 2016.

You might sit down and write out some of your reflections or talk with a good friend who would help you think through some of the following questions:

- In what area did I experience the most growth in this last year?
- Who had the biggest impact on me? How did they shape me? Who did I most influence? How did I influence them?
- Did I spend more or less time reading the Bible this year? Why?
- Did I spend more or less time praying over this year? Why?
- What was the most fulfilling act of service you did this past year?
- Did I invest some of my finances in the work God is doing in the world?
