

September 2019

Dear Parents,

Thank you for your interest in Kid's Quest, a dynamic program through Sierra's Children's Ministry. This is an awesome discipleship program for kids in Pre-K (4 years old) to 2nd grade that seeks to prepare children to take the next step into BreakOut (grades 3 - 6). The four-year Kid's Quest program takes our young kids on a journey through the Bible, teaching them how to apply God's lessons as they learn about the truths, characters and stories in God's Word. The relationships that they build will be an eternal investment with lasting rewards.

FAQs:

- **What kind of program is Kid's Quest?**

Kid's Quest is a 25-week, midweek class that is designed to be a discipleship class. The kids are placed into small groups of no more than 8 kids and one leader. They develop very close relationships with their leader and the other kids in the group. This is **not** a recreational midweek program where kids' attendance can be hit-and-miss. **Your** commitment to attendance is vital - check your year's schedule now and commit to making Kid's Quest a priority for your family.

- **At what age can my child begin Kid's Quest?**

Kids must be 4 years old by September 1st, 2019, and planning on entering kindergarten the following year.

- **What is expected of the students each week?**

All students are expected to attend each week with their lesson completed and their Scripture verse memorized. Please familiarize yourself with the schedule so you know what lesson we are covering each week. They are to bring their Bibles and binders to class each week.

- **Can my child bring a visitor to Kid's Quest?**

Once we have started for the year, bringing visitors to Kid's Quest interrupts the intimacy of the established groups and the study time the kids have invested. This is **not** a class that is designed to bring visitors to - we have other opportunities for outreach and encourage our kids to invite visitors to those. One "Bring-a-Friend" Day will be planned in the spring.

- **What is the schedule for Kid's Quest?**

We start this year's classes on October 8th and finish in the middle of May. We meet **Tuesdays** from **4:30 to 5:45**, taking holiday breaks when the public schools do.

- **Is there a cost for Kid's Quest?**

Kid's Quest costs \$40 (\$45 after September 15th) per child for the year. This will pay for materials and program expenses throughout the year.

- **Where do I sign up my child?**

Registration will take place at our table at all three Sunday services on September 8th and 15th. Payment is made at the time of registration. You may also stop by the church office and register there before September 15th. We are working on online registration - check with our website.

- **NEW THIS YEAR:** Parents - mark your calendars and join us for the first day of KidsQuest, October 8th from 4:30-5:45. When the kids go to class, we'll get a chance to chat and fill you in on the expectations for the year. See you there!
