

Thank you for joining KidsQuest, an afternoon discipleship program through the Children's Ministry of Sierra Community Church. The four-year KidsQuest program is an overview of the major stories of the Bible. Kids will learn how to apply God's lessons as they learn about the truth of God's Word.

_____ I understand that KidsQuest is a 24 week Bible Study, designed to be a discipleship class. The kids are placed into small groups with a leader to develop trust and close relationships.

_____ I understand commitment to attendance is important in order to form a small group with trust and close relationships. I will make KidsQuest a priority for my family.

_____ My child will be at least 4 years old by October 10, 2023.

_____ I understand that there will be homework assigned each week to my child. I will see this as a blessing and an opportunity to be the primary spiritual teacher of my child, and to promote a love of studying God's Word with my child. I also understand there is grace, and my child will not be punished for not completing the work.

_____ I will help my child with their memory verse each week.

_____ I will help my child remember to bring their Bible and their binder each week.

_____ I understand and acknowledge that in order for my child to participate in this activity, I agree to assume liability and responsibility for any and all potential risks including illness or injury which may be associated with this activity.

_____ I agree that photographs, pictures, slides, or video of my child may be taken in connection with participation in KidsQuest without compensation, and consent to the use of these photographs and or videos for promoting KidsQuest and Children's Ministry at SCC.
